the big orange bridge

Residents of Whistler refer to it as BOB - or - Big Orange Bridge. Visitors to Whistler driving up from Vancouver will come to know it as the place where 101.5 Whistler FM hits their car receiver, and the vacation begins.

On the north side of Whistler, driving towards Pemberton, the 101.5 signal is available to Suicide Hill.

BOB to Suicide Hill - that's 101.5 Whistler FM's coverage.
